Oversize Master Link assembly Pewag VLWP 1

Product information

This asymmetrical master link assembly is equipped with extra-large rings that are perfect for crane hooks according to DIN 15401 up to no. 25 and according to DIN 15402 up to no. 32. The rings are used in the assembled system for I-leg chain slings. The new design of the upper curve ensures an optimised contact surface on the crane hook.
