Container Lifting Lug CLT Grade 8

Product information

Container lifting lug set for lifting of standard containers in the corner fittings on top. Only for vertical lifting slings. A set contains 4 lugs and are to be used together with a lifting beam. The lugs suits standard ISO corner boxes.

Features: Provided with barrier which locks in the corner fittings after the lug is rotated 90° which prevent the lug to unhook. No part of the lug is outside the containers sides.
