Lanyard SKYSAFE ECO-R (I) Skylotec

Product information

Compact lanyard with energy absorber for 50-110 kg, equipped with FS 90 ALU carabiner and STAK TRI. The FS 90 ALU carabiner on the anchor point side ensures simple and safe attachment, while the STAK TRI on the harness side creates a stable connection. Thanks to the slim, ergonomic shock absorber package, the lanyard is easy to carry and can be positioned comfortably on the harness.

Features:

- Extended weight range from 50-110 kg for flexible application options
- Ergonomic, lightweight shock absorber package for more comfort with full safety
- FS 90 ALU with opening of 61mm carabiner for easy, fast and secure attachment to the anchor point
