Lanyard SKYSAFE ECO-R (Y) Skylotec

Product information

Compact lanyard with energy absorber for 50-110 kg, equipped with two FS 90 carabiners to enable quick changes between anchor points without having to release the lanyard. The slim, ergonomic shock absorber package reduces weight and volume, making it very comfortable to wear. Ideal for work with frequent rehanging.

.**Features:**

- Extended weight range from 50-110 kg for flexible application options
- Two FS 90 carabiners for fast, secure attachment to different anchor points
- Ergonomic, lightweight shock absorber package for more comfort with full safety
